SOLD SOLD SOLD AND CLOSED....POSSIBLE OWNER FINANCING: A Jewel of a location in a wonderful quiet neighborhood among newly constructed Multi Million Dollars homes. This family friendly floor plan is a split level and perfect for the whole family to have space in these days of Sheltering in Place. Living room for the adults to enjoy with vaulted ceilings, cozy fireplace, picture windows to appreciate the view and custom built in bookshelves flanking the fireplace.

Formal dining with sliding door to the large decking for extended entertaining. On the lower split level is the spacious Family Room/Great Room perfect for theater night and family games with bar & half bath. Tucked on the side wall of this multipurpose room are beautiful oak built in bookshelves and office desk. Another feature for working from home on these current lifestyle changes. Enjoy the variety of trees offering shelter and shade in the .61 acre parcel. Overlook platform deck and plenty of room to create a pool space or just enjoy the natural beauty. Take time to come and visit this lovely home with appointment at your convenience. "Not just a Place to Live.... It's a LifeStyle" Wine County at its finest....
